

Victory School - Not Just a Makeover, a Whole New School!

von Chipembele Wildlife Education Trust - CWET, Sonntag, 6. März 2011 um 02:28

Markus and Marianne Wegner's Schul Projekte Sambia (School Project Zambia) is funding the building and working in conjunction with [Chipembele's infrastructure project management](#) to replace the dangerously dilapidated Victory Community School. In 2009 School Project Zambia and other supporters of Chipembele re-roofed the old building in the local thatch. Unfortunately, the school building has deteriorated beyond repair now and is condemned as unsafe. **The Victory Community School is being rebuilt and just in time!**

The work on the solid foundations for the new school building

We will keep you up to date on progress. Here are the first pictures from the field - excellent quality work by local builders. The slab is in!

50 cm deep foundation - a good start for the new building.

A reminder of what the old building looked like. The children who are pupils at Victory School will be safe and sound in their new school building.

The old school building.

Taken inside in 2009 - the building has deteriorated beyond repa
